SENATOR HANNA AGAINST ANY CHANGE IN REPUBLICAN PRINCIPLES.

DECLARES FOR ROOSEVELT

OHIO LEADER FAVORS THE NOMINATION OF PRESENT CHIEF EXECUTIVE.

Columbus, O., June 4.—Hanna is for and Hanna is for Roosevelt and against changing the present principles of the Republican party one iota. All this was settled at the opening of the Ohio state Republican convention.

Senator Hanna carried everything as far as committee men were concerned. It is conceded that Hanna's friends control almost if not all of the twenty-one congressional districts. The day's meeting was given over to a speech by Senator Hanna, and in his talk he clearly outlined his position as regards candidate and platform for the national campaign of 1904. The senator carried his audience in every sentence and, apparently, they were with him to a man.

When J. B. Clingman, chairman of the state central committee, introduced Senator Hanna as temporary chairman, there was wild applause. Senator Hanna, after referring to the recent centennial celebration of Ohio and the record made by Ohio during the past 100 years, called attention to what the Republican party had done for Ohio and for the United States.

He said the Republican party had laid the foundation stone of the republic with human liberty and protection to American workmen as the component parts of that foundation stone, upon which the Republican party had erected a magnificent structure as a monument to its principles, and it now should inscribe upon the base of the monument "Hands off."

To Preserve Property.

Senator Hanna then said that if the era of Republican prosperity were to continue, the workmen upon that edifice must "Stand guard."

After praising Governor Nash, Senator Hanna paid a tribute to President Roosevelt, saying: "Republicans today can congratulate themselves that in the direction of national affairs they have realized all they hoped for and all they expected in the election of Theodore Roosevelt."

He then dwelt upon the events that brought Theodore Roosevelt to his high office, and said that the president had kept his solemn vow to follow the policy of the late President McKinley to the best of his ability, and that the convention would express its appreciation of how well he had succeeded.

Senator Hanna said that people all over the United States were watching Ohio Republicans to see what principles would be announced for the national campaign in 1904. Then he inquired if there was anyone who could see one single cause as to why the Republican party should change one iota in its present principles; and said:

The Slogan of Years Ago.

"Human liberty, protection to American industries and to our workmen. We started with that slogan many years ago. It went forth and reached the hearts of every freeman in the land and if we needed any additional tribute or any accessory to add to the lustre of that monument would be the culmination of battle."

ness and contentment perceptible everywhere around us. I once said: 'Let well enough alone.' For God's sake keep on letting it alone."

Almost every sentence of Senator Hanna's speech was interspersed with vociferous cheering. On the mention of President Roosevelt and the plea for "standing pat" on present principles, the audience rose and cheered for five minutes.

There are few differences as to state nominations. It is settled that Myron T. Herrick of Cleveland shall receive the nomination for governor.

The resolutions will commend President Roosevelt's ability and adherence to McKinley principles and favor his nomination and the re-election of Hanna as senator and praise Governor General Taft of the Philippines. No change is wanted in the tariff or other national declarations. Certain planks insist on the enforcement of the amendments for negro suffrage or the reduction of the representation of Southern states in congress and the electoral college. The resolutions also favor legislation to stimulate local bank circulation.

REJECTS TWO PROPOSALS.

Minnesota Grand Court Foresters Refuses to Change Its Name.

Des Moines, Ia., June 4.—The Minnesota Grand Court Foresters of America rejected both pending proposals, one to change the name to "Iowa Court," the other to increase the salaries of officers. The following officers were selected:

Grand chief ranger, John Wilson, Oskaloosa, Ia.; subordinate grand chief ranger, H. Kuhner, Des Moines; grand treasurer, D. Connelly, Minneapolis; financial secretary, E. Flierin, Cedar Rapids, Ia.; recording secretary, J. D. Kiser, Boone, Ia.; senior wood warden, H. C. Licht, Minneapolis; junior wood warden, H. H. Watson, Frazer, Ia.

Consider Schedules and Claims.

Milwaukee, June 4.—The second day's session of the Transcontinental Freight Bureau at the Hotel Pfister was devoted to the consideration of schedules and discussing the various claims presented by shippers for a change in the classifications of their commodities.

BENEFIT AMERICAN SHIPS.

Senator Elkins Will Reintroduce a Bill for That Purpose.

Paris, June 4.—Senator Elkins of West Virginia and Mrs. Elkins have arrived here from New York and will stay in Paris and at Nauheim for some time.

The senator says he intends to re-introduce next session a bill reducing by 10 per cent the duties on goods brought to the United States in American ships, or increasing by 10 per cent the duties on goods brought in foreign ships. He expects the measure will have strong support as a result of the failure of the shipping bill. Mr. Elkins says the proposed measure is not open to the same objections as the shipping bill, as it will develop American shipping without the expenditure of a cent, large or small ships receiving the same benefits.

BOARDS OF HEALTH.

First Conference of State and National Bodies Being Held.

Washington, June 4.—The first conference of state and national boards of health under the act of July 1, 1902, began here during the day. Surgeon General Wyman of the marine hospital service presided.

Dr. Wyman, in an address, said that the great end in view was closer association and union of effort between state and national health authorities.

Dr. Foster of California gave a description of quarantine operations in that state, particularly in relation to the plague danger in San Francisco.

In all twenty-one states were represented at the conference.

CONVENTION CALLED

ANTHRACITE MINERS WILL MEET TO CONSIDER THE QUESTION OF STRIKING.

THE OPERATORS' OBJECTION

IT IS BASED ON THE MANNER IN WHICH REPRESENTATIVES WERE ELECTED.

Wilkesbarre, Pa., June 4.—At the morning session of the three anthracite boards of the United Mine Workers' union, there was little done outside of outlining plans as to what course was best to pursue. In the afternoon they met again, when they decided to hold a joint convention of miners at Pottsville on June 15, for the purpose of determining whether or not a general suspension of work shall be declared. They were in session up to 5 o'clock and no statement was made by them outside of the bare announcement of the decision to hold a joint convention.

The operators have issued a statement saying that the representatives of the operators have been appointed strictly within the terms of the coal strike commission's award, and there is no objection on their part to cordially accepting Messrs. Nicholls, Dettrey and Fahy as the representatives of the miners, providing they are elected by a majority of the mine workers, as specified in the award of the commission. The objection is solely against their appearing as the official representatives of the United Mine Workers of America appointed by an executive committee, without authority for such appointment.

Statement by Fahy.

When District President Fahy, the chairman of the miners' representatives on the conciliation board, was shown the statement of the operators' members of that board, he said:

"There was no meeting of the stockholders of the coal companies called for the purpose of appointing the operators' side on the conciliation board, but the representative of the stockholders, the officials of the companies, met and selected their representatives. The mine workers selected their members, not by calling a meeting of all their members or stockholders, but by their organization, through their representatives as empowered by the rules and regulations of their organization, which does exist, and as provided by the award of the coal strike commission. We raise no question as to the manner in which the operators selected their representatives and we at least hoped for the same treatment at their hands. Our understanding is that miners and operators shall stand on equal footing in every way on the board of conciliation."

MACHINISTS' STRIKE ENDS.

Long Struggle of the Union Pacific Men Compromised.

Omaha, June 4.—The machinists' strike on the Union Pacific system, which has continued for more than eleven months, was settled at a conference between President Burt of the railroad company and representatives of the strikers, and the 1,000 men who have been on strike will return to work next Monday morning. The settlement is regarded as a concession by both sides to the controversy.

The terms of settlement follow: First—Piece work shall be abolished.

ed in its entirety from the machine shops.

Second—Every striking machinist shall be reinstated upon his own application within sixty days.

Third—An increase of seven per cent in wages over those prevailing when the strike began shall be given.

Fourth—Nine hours shall constitute a day's work.

Fifth—The company retains such of its present force of non-union men as it desires on equal terms with the employees and gives notice to them that all hotels within the shops will be closed at the end of two weeks.

Sixth—The strike is to be declared off and work resumed Monday morning next at these points: Council Bluffs, Omaha, Columbus, Grand Island, North Platte, Rawlins, Green River, Evanston, Ogden, Denver, Cheyenne, Wells, Ellis, Junction City and Kansas City.

MAY GO HUNGRY.

Chicagoans Facing a Strike of Hotel and Restaurant Employees.

Chicago, June 4.—Hundreds of hotels and restaurants in Chicago will be tied up by strikes and lockouts at noon unless there shall be an unexpected change in the plan of campaign decided on by the joint committee representing the employees' unions. The waiters, waitresses, cooks and miscellaneous help employed in the eating houses are fully prepared for the struggle, and it is said will walk out immediately the signal from their officers is given.

This action on the part of the unions was brought about by the refusal of many hotel and restaurant keepers to sign the wage scales and agreements presented by the various organizations.

Surrounded by Forest Fires.

Montreal, June 4.—Montreal is surrounded by forest fires which have wrought havoc in several settlements of the province. The city was enveloped in a pall of smoke so dense that the sun was obscured from view.

Founder of La Crosse Dead.

St. Paul, June 4.—Nathan Myrick, the founder of the city of La Crosse, Wis., and one of the oldest residents of St. Paul, died at the family home, 105 Wilkin street.

PUTS IN A BUSY DAY.

President Roosevelt Makes Nine Speeches in Illinois.

Bloomington, Ill., June 4.—President Roosevelt put in about the busiest day of his trip Wednesday from a speechmaking standpoint. He made his first speech at Freeport and when he concluded his address here he had spoken nine times. Eight of his speeches were made in the open air and several of them in rainstorms. The hardest rain encountered was at Pontiac, where he dedicated a soldiers' and sailors' monument.

At Dwight, the mayor, who is a Democrat, in introducing the president, said:

"I consider you, Mr. President, the ideal American citizen. I admire the course you have pursued and will support you for re-election."

The president spoke at Freeport, Rockford, Aurora, Dwight, Lexington and Bloomington.

ROOSEVELT IN DANGER.

Satchel Full of Dynamite Hidden Near the Railway at Lincoln, Ill.

Bloomington, Ill., June 4.—There was a sensation at Lincoln during the morning over the discovery of a satchel full of dynamite hidden near the Chicago and Alton tracks in Lincoln. This was located within a few feet from the point where President Roosevelt leaves the train on his arrival here and a plot was suspected by the police. A thorough investigation is in progress.

TWO IMPORTANT SUBJECTS.

Transportation Rates and Reciprocity Treaties Claim Millers' Attention.

Detroit, Mich., June 4.—Over 300 delegates representing the milling trade in all parts of the country were present when the first convention of the Millers' National Federation was called to order here in the afternoon. Transportation rates and the reciprocity treaties negotiated by Commissioner Kasson are two important subjects that the millers will consider at their three days' session. They allege that the railroads and ocean lines discriminate against flour in favor of wheat in making freight rates.

In his address, President B. A. Eckhart of Chicago gave a resume of the milling industry as it exists today.

A memorial from the British Flour Buyers was read in which they declared that the American product was preferable to that received from any other foreign country and urged the American millers to secure the adoption of a more satisfactory transportation rate so as to compete with the European trade.

Illustrated addresses were then given on "The Importance of Macaroni Wheat to the Milling Industry," by Professor M. A. Carleton of the United States department of agriculture, and on "The Food Value of Wheat," by Professor Harry Snyder of the Minnesota experiment station.

VILLAGE WIPED OUT.

Fire Destroys All But Two Buildings at Briggs Corner, N. B.

St. Johns N. B., June 4.—A telephone message from Norton says the village of Briggs Corner, Queens county, was wiped out by fire in the afternoon, only one house and a hall being left. The loss is probably \$30,000 or \$40,000.

FAVORABLE TO STRIKERS.

Eight Firms Grant Demands of Textile Workers at Philadelphia.

Philadelphia, June 4.—Eight firms granted the demands of the textile workers during the day and the ranks of the strikers were swelled by the workmen in several mills going out. The three most important breaks on the side of the employers was the granting of the fifty-five-hour week and an increase in pay by Lightenberger & Co., manufacturers of Ingrain carpets; Samuel Diawick, yarn manufacturer, and the Franklinville dye works. The employees of the carpet and yarn concerns asked for a fifty-five-hour week and a 10 per cent increase in wages, and the dyers asked for the shorter week and an increase of wages from \$12 to \$13 per week.

The strikers declare this break portends an early settlement of the strike because the manufacturers have declared all along they were unable to grant an increase in wages. The Lichtenberger company is the first in grain carpet company to grant both the shorter working hours and the increase in wages. The other firms who have given way to the men were only asked to grant the men shorter week without increase in pay.

The firms that granted the demands of the men included two dress goods

concerns, one dye works, one finishing mill, one hosiery and upholstery mill, one yarn mill, one damask mill and one carpet mill. Those that went on strike during the day included three spinning mills, two hosiery mills, one upholstery, one knitting mill and one warp dressing concern. Another branch of the textile industry brought into the conflict was the hair cloth mills.

MISS WARE ARRESTED.

Charged With Conspiring to Obtain Government Lands by Fraud.

Portland, Ore., June 4.—Miss Mary Ware, who recently resigned as United States commissioner at Eugene, at the request of United States District Judge Bellinger, was arrested here. Miss Ware is charged with conspiring to obtain government lands by fraud. Horace G. McKinley, a timber land locator, was arrested Tuesday charged with making false affidavits in the office of the United States commissioner at Eugene. Special agents of the general land office have been investigating alleged timber land frauds in this state for several months past. It is said that the fraudulent entries of land in this state will run up into the thousands and that startling developments are expected.

ARE YOU AFFLICTED WITH THE ITCH KING OF THE BLOOD ECZEMA

The prevalence of Eczema among the young and old is due to the introduction of poisonous matter in the blood. Those pimples, sores and eruptions upon the face, neck and body are all caused by impure blood. ECZEMA is a living fire to the blood, and the blood fire the skin with the fuel of its impurities; remove the impurity and the trouble passes away. MEDERINE is a specific blood purifier that cleanses, filters and purifies the blood of every possible taint, and quickly and permanently cures Eczema. Thousands of well-known citizens in every section of the country have been cured by the MEDERINE treatment after all other remedies had failed. This is the reason that every bottle of MEDERINE is sold on the positive and absolute guarantee that it will cure.

Eczema on Face and Neck.

Sam E. Clark, St. Joseph, Mo., writes: I have been afflicted for years with pimples and blotches on my face and neck. I was a sight to look upon. After trying all the best known remedies for 15 months, I tried MEDERINE, and it cured me and my face is now free from pimples, blotches and all signs of Eczema. Herein find an express order for another course of treatment for a friend of mine.

Eczema Permanently Cured.

Mrs. Francis L. Conley, Memphis, Tenn., says: I write to tell you that my Eczema of twelve years standing is cured. All the little pustular eruptions on my face and legs have disappeared. The skin of my body for years would scale, while between my toes the flesh would rot off, and the itching and burning at times was almost unbearable. I tried doctor's prescriptions and other cure with no success.

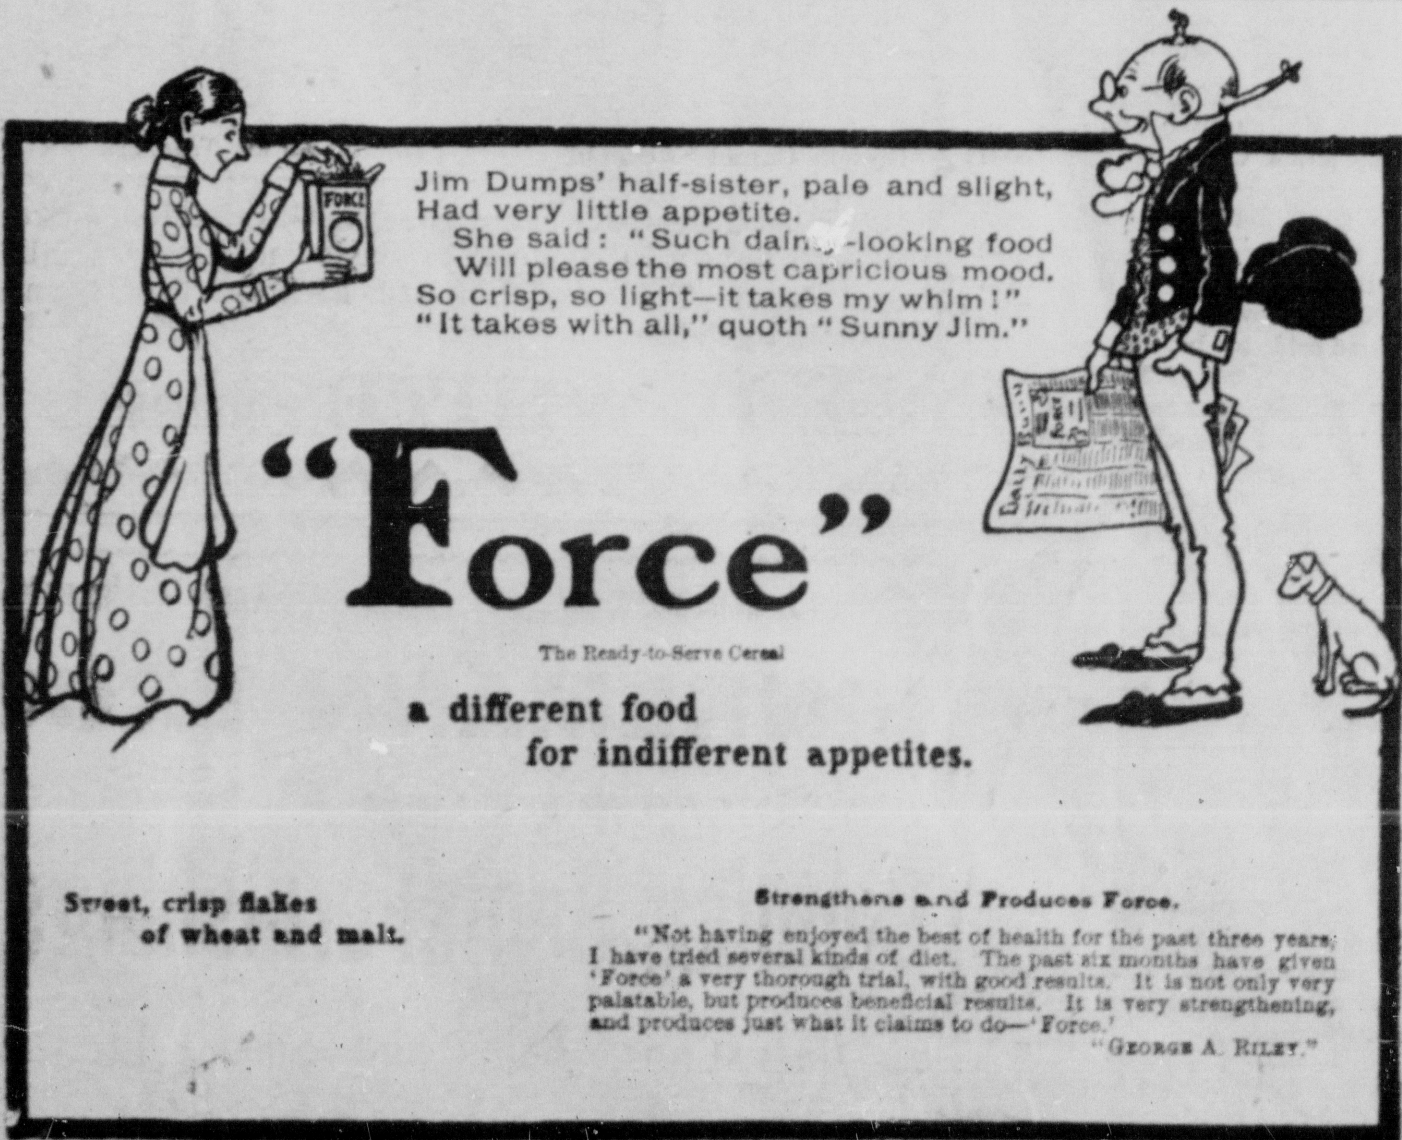

Write MEDERINE REMEDY CO., Duluth, Minn., for their system of treatment. All letters answered. Illustrated booklet containing testimonials of cures mailed free. PRICE, \$1 PER BOTTLE. Does not carry MEDERINE in stock 6 BOTTLES FOR \$5.

REJECTS TWO PROPOSALS.

Minnesota Grand Court Foresters Refuses to Change Its Name.

Des Moines, Ia., June 4.—The Minnesota Grand Court Foresters of America rejected both pending proposals, one to change the name to "Iowa Court," the other to increase the salaries of officers. The following officers were selected:

Grand chief ranger, John Wilson, Oskaloosa, Ia.; subordinate grand chief ranger, H. Kuhner, Des Moines; grand treasurer, D. Connelly, Minneapolis; financial secretary, E. Consider Schedules and Claims.

Milwaukee, June 4.—The second day's session of the Transcontinental Freight Bureau at the Hotel Pfister was devoted to the consideration of schedules and discussing the various claims presented by shippers for a change in the classifications of their commodities.

BENEFIT AMERICAN SHIPS.

Senator Elkins Will Reintroduce a Bill for That Purpose.

Paris, June 4.—Senator Elkins of West Virginia and Mrs. Elkins have arrived here from New York and will stay in Paris and at Nauenheim for some time.

The senator says he intends to reintroduce next session a bill reducing by 10 per cent the duties on goods brought to the United States in American ships, or increasing by 10 per cent the duties on goods brought in foreign ships. He expects the measure will have strong support as a result of the failure of the shipping bill. Mr. Elkins says the proposed measure is not open to the same objections as the shipping bill, as it will develop American shipping without the expenditure of a cent, large or small ships receiving the same benefits.

BOARDS OF HEALTH.

First Conference of State and National Bodies Being Held.

Washington, June 4.—The first conference of state and national boards of health under the act of July 1, 1902, began here during the day. Surgeon General Wyman of the marine hospital service presided.

Statement by Fahy.

When District President Fahy, the chairman of the miners' representatives on the conciliation board, was shown the statement of the operators' members of that board, he said:

"There was no meeting of the stockholders of the coal companies called for the purpose of appointing the operators' side on the conciliation board, but the representative of the stockholders, the officials of the companies, met and selected their representatives. Those that went on strike during the day included three spinning mills, two hosiery mills, one upholstery, one knitting mill and one warp dressing concern. Another branch of the textile industry brought into the conflict was the hair cloth mills.

MISS WARE ARRESTED.

Charged With Conspiring to Obtain Government Lands by Fraud.

Portland, Ore., June 4.—Miss Mary Ware, who recently resigned as United States commissioner at Eugene, at the request of United States District Judge Bellinger, was arrested here. Miss Ware is charged with conspiring to obtain government lands by fraud. Horace G. McKinley, a timber land locator, was arrested Tuesday charged with making false affidavits in the office of the United States commissioner at Eugene. Special agents of the general land office have been investigating alleged timber land frauds in this state for several months past. It is said that the fraudulent entries of land in this state will run up into the thousands and that startling developments are expected.

ARE YOU AFFLICTED WITH ECZEMA

The prevalence of Eczema among the young and old is due to the introduction of poisonous matter in the blood. Those pimples, sores and eruptions upon the face, neck and body are all caused by impure blood. ECZEMA is a living fire to the blood, and the blood fires the skin with the fuel of its impurities. remove the impurity and the trouble passes away. MEDERINE is a specific blood purifier that cleanses, filters and purifies the blood of every possible taint, and quickly and permanently cures Eczema. Thousands of well-known citizens in every section of the country have been cured by the MEDERINE treatment after all other remedies had failed. This is the reason that every bottle of MEDERINE is sold on the positive and absolute guarantee that it will cure.

Eczema on Face and Neck.

Sam S. Clark, St. Joseph, Mo., writes: I have been afflicted for years with pimples and blotches on my face and neck. I was a sight to look upon. After trying all the best known remedies for 18 months, I tried MEDERINE, and it cured me and my face is now free from pimples, blotches and all signs of Eczema. Herein find an express order for another course of treatment for a friend of mine.

Eczema Permanently Cured.

Mrs. Francis L. Conley, Memphis, Tenn., says: I write to tell you that my Eczema of twelve years standing is cured. All the little pustular eruptions on my face and legs have disappeared. The skin of my body for years was covered with reddish spots and inflammation, which would scald, while between my toes the flesh would rot off, and the itching and burning at times was almost unbearable. I tried doctor's prescriptions and other sure cures with no success.

Write MEDERINE REMEDY CO., Duluth, Minn., for their system of treatment. All letters answered. Illustrated booklet containing testimonials of cures mailed free.

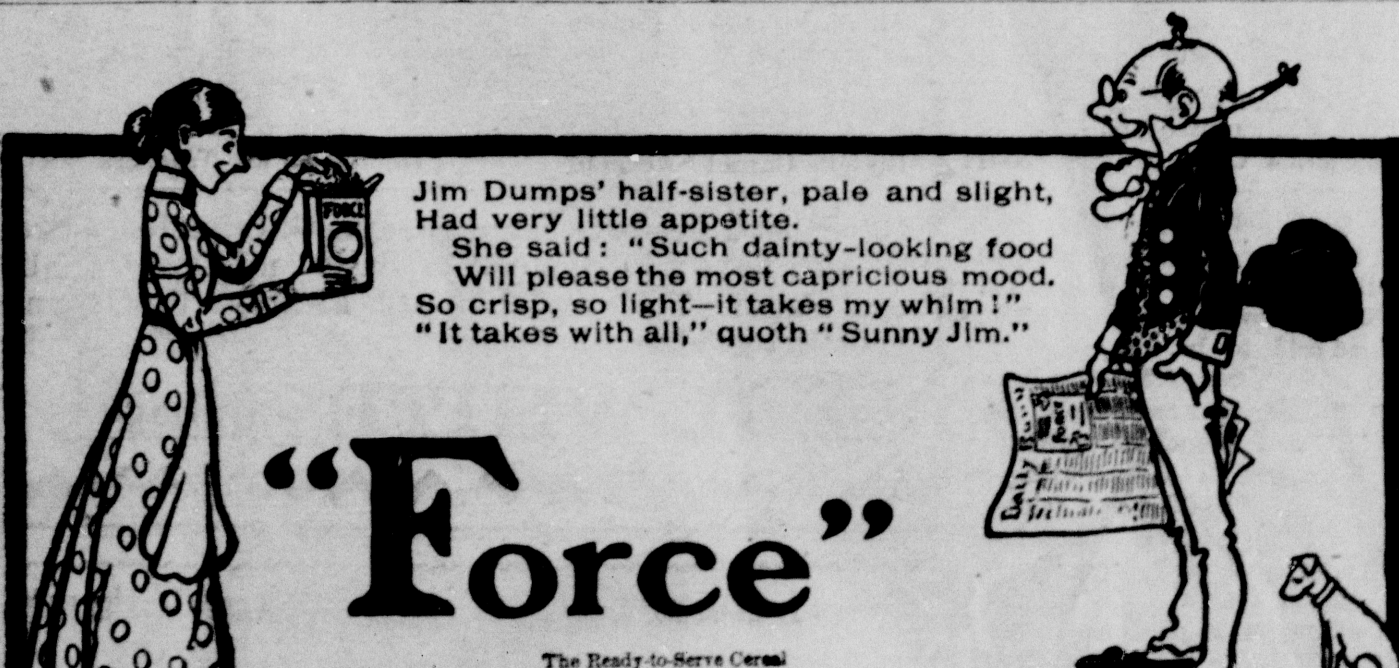

PRICE, \$1 PER BOTTLE. Send express prepaid if your druggist does not carry MEDERINE in stock. 6 BOTTLES FOR \$5.

MEDERINE OINTMENT The new treatment for Eczema, Itch, Scabies, and all skin diseases. 50c per bottle.

MEDERINE SOAP he toilet, bath and nursery, it soothes the skin, a complexion beautifier, a perfect cure for Dandruff and all scalp and skin diseases. Price 50c.

DEAD MEN'S BONES.

Visitors Steal Them From Spanish Cruiser for Relics.

Victoria, B. C., June 4.—Advice from Manila tell of a disgraceful act of vandalism on the part of visitors to the recently floated Spanish cruiser Reina Christina, sunk by Dewey, in the surreptitious removal of bones of dead Spaniards for relics. The Christina was thought to have had some \$200,000 in gold on board, but it was not found. The gunboat Velasco, which was raised, was found to have been sunk by her own crew, who had opened the bilge.

My Time Was Not Up.

A man of a mercenary spirit and several sons, one of whom was on the eve of his twenty-first birthday. The father had always been a strict disciplinarian, keeping his boys well under parental charge, allowing them few liberties and making them work hard.

It was with a feeling of considerable satisfaction that the young man rose on the morning of his birthday and began to collect his personal belongings preparatory to starting out in the world.

The farmer, seeing his son packing his trunk, which he rightly judged to be evidence of the early loss of a good farm hand, stopped at the door of the young man's room and asked what he was going to do.

The boy very promptly reminded his father of the day of the month and the year and declared his intention of striking out in the world on his own account.

"Not much you won't," shouted the old man, "at least not for awhile yet! You wasn't born until after 12 o'clock, so you can just take off them good clothes and fix to give me another half day's work down in the potato patch."

His Position with the Northern Pacific to Accept Another with the Santa Fe.

HE WILL LEAVE BRAINERD.

Mr. Bean Now in Chicago Consulting with the Santa Fe Officials.

Supt. S. L. Bean, of the Northern Pacific shops in this city, has tendered his resignation and will leave soon for Albuquerque, New Mexico, where he has accepted a position with the Atchison, Topeka & Santa Fe railway as master mechanic.

Mr. Bean has been in Brainerd for some fifteen years and until a short time ago, when a new rule was inaugurated creating a new position known as superintendent of the shops in this city, which he was appointed to fill, he was master mechanic for the N. P. and had a wide jurisdiction, extending at one time over the Superior division, all of the Minnesota divisions and the line running from Winnipeg Junction to the city of Winnipeg.

Supt. Bean is now in Chicago consulting with the Santa Fe officials, and it is not known when the resignation with the N. P. is to take effect, but it is presumed, at once.

Nothing whatever is known about who his successor will be as superintendent of the shops in this city.

COMMISSIONERS' REGULAR SESSION

Request of M. & I. and Northwest Paper Company to Build Spur Track Granted.

LOCATION OF BRIDGE IS FIXED

Across the Mississippi River North of Deerwood--Many Petitions are Received.

Proceedings of the board of county commissioners, meeting held June 2nd, 1903.

Board met at 10 o'clock a. m., all members being present.

The minutes of previous meeting were read and approved as read.

A petition for a road in town 137, range 29 and town 138, range 29, was read and referred to Commissioner Gardner for investigation.

A petition for the formation of a new school district from sections 16, 17, 20, 28, 29, 31, 32, 33 and 34, town 47, range 29 and all of fractional town 47, range 30, was read, granted and the auditor was directed to issue notices for hearing at the July meeting.

The matter of granting a crossing at the west end of the bridge over the Mississippi river to the Minnesota & International Railway company, was taken up and the following resolution was unanimously adopted:

It appearing to the board of county commissioners of Crow Wing County, 1. That the Northwest Paper company own and operate a pulp mill located on the west side of the Mississippi river, near the Brainerd dam and immediately west of the road leading to the upper Mississippi wagon bridge from the north.

2. That the Minnesota & International Railway company is willing to make and maintain proper and sufficient track connections with its existing tracks near said pulp mill, for the shipment of the product of said pulp mill, provided the necessary right of way over or across the public highway immediately west of the approach on the west end of said north Mississippi wagon bridge shall be granted without condemnation proceedings, be it

RESOLVED, That the privilege be and the same hereby is granted to the Minnesota & International Railway company and to the Northwest Paper company and to their respective successors and assigns, to extend the spur now abutting on the east side of said highway over and above said highway at the west end of said upper Mississippi wagon bridge in a direct line to said pulp mill, provided that such crossing shall at all times be kept and maintained in perfect condition without expense to the county, and that the public easement in said public highway shall not be invaded, impaired, impeded or violated in any manner or to any extent beyond the proper and lawful use of said crossing by said companies.

Petition for change of road at section 25, town 45, range 30, was read and action deferred till next meeting.

On motion duly made and carried the location for the new bridge over the Mississippi river north of Deerwood was fixed on south side of river at a point near west line of section 24, township 47, range 29, and on the north side of river near southeast corner of section 33, town 136, range 26.

Petition for a road to run from northeast corner 6, 133, 28, to run south for 2 1/2 miles was read, granted and ordered surveyed.

Appropriations from the road and bridge fund were made as follows:

Town of Pelican, \$75.00 on the Pine River and Pequot road.

Town of Deerwood, \$75.00 on the Brainerd and Cedar Lake road.

Town of Garrison, \$75.00 on Mille Lac road through section 5.

Town of Emily, \$100.00 on general roadwork.

Town of Sibley, \$50.00 on general roadwork.

\$100 on Deerwood and Rabbit lake road under supervision of Commissioner Maghan.

\$300 towards building a new bridge over Nokay Sebie river on town line between towns of St. Mathias and Daggett Brook, providing said towns expend a like amount towards the building of said bridge, said appropriation to remain in county treasury till bridge is completed, and accepted by the committee to be hereafter named by this board.

Board adjourned till 10 a. m. June 3. At 10 o'clock a. m. June 3, all members present.

Report of manager of poor farm for May was read and accepted.

Moved and seconded that the work on road over Ahrens' hill be accepted and balance of bills of \$150.00 in final settlement account be paid. On call for ayes and nays, Commissioners Erickson, Keinow, Maghan and Gardner voted aye and Chairman voted nay, and motion was declared carried.

On motion duly carried, the chairman appointed Commissioners Erickson, Gardner and Chairman as a committee to obtain right of way from termination of road over Ahrens' hill to the crossing of the Pine River road of the M. & I. track, and to fence lower side of road over Ahrens' hill.

On motion duly carried, the auditor was directed to advertise for bids for the construction of a combination pile bridge with one 80 foot span, over Mississippi river north of Deerwood, bidders

to furnish their own plans and specifications with bids.

MRS. JAMES CLULOW

Preached the Memorial Sermon at Tacoma and the Ledger of that City Gives

Extended Writup of Same.

Mrs. James Clulow delivered the memorial sermon at the Central M. E. church at Tacoma and the Ledger of that city gives the same a two column writup. The following is an excerpt from the writup:

"At the memorial service held at the Central M. E. church last evening the sermon was preached by Mrs. James Clulow, wife of the pastor. She took as her text Psalm 20:5, 'In the name of our God we will set up our banners.' The speaker said in part:

"It is fitting that we meet in our churches on the Sabbath before the day set apart by a grateful republic to honor its benefactors, to remember the sacrifice, recount the deeds of valor, and study methods of appreciation of the accomplishments of our nation's honored dead. These flags, emblems of our nation's liberty bring vividly before your minds our nation's history. No doubt but on other occasions as well as on this, you have thought of points of interest in the history of our country. Its history is brief, but filled with the records of deeds of valor, of providential dealings. You have thought of the landing of Columbus on the island of San Salvador; you have remembered the landing of the Pilgrim friends. Before your mind's visions has passed the experiences of our ancestors in founding the first colonies, the difficulties they experienced and encountered in the new agricultural fields of the unexplored land. The iron heel of British oppression, grinding them beneath its tread, while they chafed under the repeated insults of the tyrant George the Third."

LODGE IS SECOND IN WHOLE STATE

In Point of Excellence and Thoroughness of Work Says Grand Chancellor

ROUSING MEETING LAST NIGHT

Work Exemplified In the Third Rank which was Followed By a Social Session.

The district convention of the Knights of Pythias and the pleasant features attending it turned out to be a very pleasant affair. There were a large number of delegates present and all seemed to thoroughly enjoy the sessions. At 6:30 o'clock the doors of the banquet hall were opened and the members of the order and the visiting Sir Knights filed in and partook of a sumptuous repast, which was served in elegant style by the Rathbone sisters.

At 7:30 p. m. the lodge convened and the work in the rank of Knight was conferred in ample form. During the session of the lodge the ladies were entertained in the adjoining room in a social manner and Grahams' full orchestra furnished some excellent music. After the lodge closed there was a general social session.

This social session was a most pleasant feature. Special District Deputy Charles D. Johnson was chairman and master of ceremonies, and in his inimitable manner kept the assemblage in a state of good humor throughout.

The first speaker called upon was Grand Chancellor James R. Robertson. He heartily congratulated the members of the lodge on its excellent work in exemplifying the work and stated that the lodge in this regard was second in the state.

The following gentlemen were then called upon and responded for the different towns: Messrs. Bouck and Niles, Royalton; Clayton, Wadena; Larson, Aitkin; Mann, Little Falls. Rev. Richard Brown, of this city, was called upon and gave a stirring address. W. I. Nolan, of Minneapolis, the entertainer, was present and made a hit with the crowd present. He is one of the best ever in his line of business and is always sure to please.

After this social session another luncheon was served and the young people danced until quite late.

During the social session Col. C. D. Johnson read the following letter from Rev. Gallagher, formerly a resident of this city, but now of Lockport, N. Y.:

"Dear Sir Knights: 'I thank you for your kind invitation to be present at the District Convention of Knights of Pythias to be held in Brainerd, June 3rd, 1903. Absent in the body, I am present in the spirit. I send you a Knightly greeting across the plains and mountains.

"Hear Ye! Hear Ye! Be ye true and valiant Knights: The world needs the Knights of Pythias. The future has portentous issues for the United States. The man from Italy comes burdened with centuries of oppression. The Poland carrying the chains of despotism, seeks freedom in our land. The dark burned Syrian, bending under the yoke of Mohammed's fierce thralldom, looks to America for relief.

"The lethargic Russian, whose heart has grown cold under icy despotism, lifts imploring hands to the republic beyond the seas. The bleeding Israelite, whose death wounds, in mute appeal, cry to Heaven for vengeance from the crimson soil of the Czar, turns blood shot eyes westward, where the star of hope ever rises.

"The mechanic sons of toil, born among us, aspiring after larger liberty and fuller share of the Nations wealth, gaze into the future with strained vision. But all these sons of want will need the fraternal heart of the Knights of Pythias. Great is our mission, Sir Knights: as Sir Bedivere lifted high the sacred excalibur and swung it wide with the sea, so swing you earthward and heavenward the noble principles of our chivalric order.

"Fraternal yours,

Rev. George W. Gallagher."

BASE BALL NUBS

The lineup for the Elks team which is to play in the city on Sunday afternoon with the high school team will be announced in a day or two. It is sure that Krelwitz will pitch for the locals. The team will appear for the first time in their suits on Sunday and this alone will be worth the price of admission. The suits are all white except the lettering across the breast, "B. P. O. E. No. 675," which is done in purple. The caps are also white and trimmed with purple.

The local team is not sure where it will play next Sunday, but it is barely possible that the boys will go to Verdale.

MUSIC AND DRAMA.

"OLE OLSON."

"Ole Olson," blonde of hair, ruddy of cheeks, ingenious as to manner, unsophisticated in worldly ways, but honest to the core, and willing to incur any danger in behalf of his friends and the triumph of right, is one of the few stage characters that have retained their popularity despite the ever changing tastes of the theatre-going public. Like "Rip Van Winkle," "Uncle Josh Whitcomb," and Nathaniel Berry in "Shore Acres," "Ole" pursues the even tenor of his way, delighting his audiences and carrying with him an atmosphere of honesty, homely and wholesome naturalness, worth infinitely more than the sham bravado of romantic heroes and the flippant cynicism of drawing room characters in problem plays. This explains why Ole lives and lasts and is also a tribute to the good sense and wholesome instincts of the great mass of theatre goers. As a play "Ole Olson" lays no claim to being a masterpiece but it is far and away the best of Swedish dialect series and possesses a peculiar charm. The popular comedian, Ben Hendricks and his company will present it at the Brainerd theatre this evening. A special feature will be offered in the signing of the Swedish Ladies Quatette and numerous specialties will be introduced by Mr. Hendricks and others.

THE MUSICAL FESTIVAL

The musical festival to be given by the musical pupils of the St. Benedict sisters tomorrow evening will be a very interesting event. There is some confusion over the date for this festival. The tickets were printed for June 4, but the date was afterwards changed to June 5, which is tomorrow night. This program is in every way worthy of consideration of the people of the city, especially in view of the fact that most of those to take part are well known young people and should be encouraged in their work. There is quite an advance sale of tickets and the sale at the H. P. Dunn & Co. store this morning was very large.

Charles Ahrens Receives a Threatening Letter in Which He is Requested to Plant Fifty or Die.

Charles Ahrens has received a letter which is signed, "A Stranger to Chas. Ahrens," and the stranger threatens to put Ahrens' respiratory organs on the bum and end his existence unless he digs up \$50 at a certain time, so the people of Brainerd are to suppose that there is a murderer in the vicinity of the bridge across the dam. The following is a copy of the epistle above referred to:

Brainerd, Minn., May 30, 1903.

"CHAS. AHRENS:— 'I request you to place \$50 in gold under the second right hand corner of the bridge on the lake road where the road runs under and if it ain't there by 12 o'clock sharp and the coast clear for me to get it, I will kill you. Place the money there and do not go there for one day and a half nor post any guards there or you will be killed and buried in the lake in less than two days. Get the money in gold and place it there inside of twenty minutes after 12 o'clock tonight.

From a Stranger to Chas Ahrens."

APPEAL IN TIMBER CASE

Is Argued at St. Paul Before the Federal Circuit Court Judges and Amount Involved is \$6,468.37.

An appeal from the circuit court for Minnesota has been argued in the federal circuit court of appeals at St. Paul.

The government sued Frederick Bonness and Leonidas West on a timber trespass claim on the Chippewa reservation. The amount at issue is \$6,468.37. It is simply a question of fact as to whether the defendants cut green or dead and down timber. The attorneys for the defendants are A. Y. Merrill, R. J. Powell and W. N. Feltus.

COMMISSIONERS' REGULAR SESSION

Request of M. & I. and Northwest Paper Company to Build Spur Track Granted.

LOCATION OF BRIDGE IS FIXED

Across the Mississippi River North of Deerwood--Many Petitions are Received.

Proceedings of the board of county commissioners, meeting held June 2nd, 1903.

Board met at 10 o'clock a. m., all members being present.

The minutes of previous meeting were read and approved as read.

A petition for a road in town 137, range 29 and town 138, range 29, was read and referred to Commissioner Gardner for investigation.

A petition for the formation of a new school district from sections 16, 17, 20, 28, 29, 31, 32, 33 and 34, town 47, range 29 and all of fractional town 47, range 30, was read, granted and the auditor was directed to issue notices for hearing at the July meeting.

The matter of granting a crossing at the west end of the bridge over the Mississippi river to the Minnesota & International Railway company, was taken up and the following resolution was unanimously adopted:

It appearing to the board of county commissioners of Crow Wing County,

1. That the Northwest Paper company own and operate a pulp mill located on the west side of the Mississippi river, near the Brainerd dam and immediately west of the road leading to the upper Mississippi wagon bridge from the north.

2. That the Minnesota & International Railway company is willing to make and maintain proper and sufficient track connections with its existing tracks near said pulp mill, for the shipment of the product of said pulp mill, provided the necessary right of way over or across the public highway immediately west of the approach on the west end of said north Mississippi wagon bridge shall be granted without condemnation proceedings, be it

RESOLVED, That the privilege be and the same hereby is granted to the Minnesota & International Railway company and to the Northwest Paper company and to their respective successors and assigns, to extend the spur now abutting on the east side of said highway over and above said highway at the west end of said upper Mississippi wagon bridge in a direct line to said pulp mill, provided that such crossing shall at all times be kept and maintained in perfect condition without expense to the county, and that the public easement in said public highway shall not be invaded, impaired, impeded or violated in any manner or to any extent beyond the proper and lawful use of said crossing by said companies.

Petition for change of road at section 25, town 45, range 30, was read and action deferred till next meeting.

On motion duly made and carried the location for the new bridge over the Mississippi river north of Deerwood was fixed on south side of river at a point near west line of section 24, township 47, range 29, and on the north side of river near southeast corner of section 33, town 136, range 26.

Petition for a road to run from northeast corner 6, 133, 28, to run south for 2 1/2 miles was read, granted and ordered surveyed.

Appropriations from the road and bridge fund were made as follows:

Town of Pelican, \$75.00 on the Pine River and Pequot road.

Town of Deerwood, \$75.00 on the Brainerd and Cedar Lake road.

Town of Garrison, \$75.00 on Mille Lac road through section 5.

Town of Emily, \$100.00 on general roadwork.

Town of Sibley, \$50.00 on general roadwork.

\$100 on Deerwood and Rabbit lake road under supervision of Commissioner Maghan.

\$300 towards building a new bridge over Nokay Sebie river on town line between towns of St. Mathias and Daggett Brook, providing said towns expend a like amount towards the building of said bridge, said appropriation to remain in county treasury till bridge is completed, and accepted by the committee to be hereafter named by this board.

Board adjourned till 10 a. m. June 3.

At 10 o'clock a. m. June 3, all members present.

Report of manager of poor farm for May was read and accepted.

Moved and seconded that the work on road over Ahrens' hill be accepted and balance of bills of \$150.00 in final settlement account be paid. On call for ayes and nays, Commissioners Erickson, Keinow, Maghan and Gardner voted aye and Chairman voted nay, and motion was declared carried.

On motion duly carried, the chairman appointed Commissioners Erickson, Gardner and Chairman as a committee to obtain right of way from termination of road over Ahrens' hill to the crossing of the Pine River road of the M. & I. track, and to fence lower side of road over Ahrens' hill.

On motion duly carried, the auditor was directed to advertise for bids for the construction of a combination pile bridge with one 80 foot span, over Mississippi river north of Deerwood, bidders

to furnish their own plans and specifications with bids.

MRS. JAMES CLULOW

Preached the Memorial Sermon at Tacoma and the Ledger of that City Gives

Extended Writup of Same.

Mrs. Jame Clulow delivered the memorial sermon at the Central M. E. church at Tacoma and the Ledger of that city gives the same a two column writup. The following is an excerpt from the writup:

"At the memorial service held at the Central M. E. church last evening the sermon was preached by Mrs. James Clulow, wife of the pastor. She took as her text Psalm 205, 'In the name of our God we will set up our Banners.' The speaker said in part:

"It is fitting that we meet in our churches on the Sabbath before the day set apart by a grateful republic to honor its benefactors, to remember the sacrifice, recount the deeds of valor, and study methods of appreciation of the accomplishments of our nation's honored dead. These flags, emblems of our nation's liberty bring vividly before your minds our nation's history. No doubt but on other occasions as well as on this, you have thought of points of interest in the history of our country. Its history is brief, but filled with the records of deeds of valor, of providential dealings. You have thought of the landing of Columbus on the island of San Salvador; you have remembered the landing of the Pilgrim friends. Before your mind's visions has passed the experiences of our ancestors in founding the first colonies, the difficulties they experienced and encountered in the new agricultural fields of the unexplored land. The iron heel of British oppression, grinding them beneath its tread, while they chafed under the repeated insults of the tyrant George the Third."

BRITISH VESSEL SUNK.
Steamer Arequipa Founders During a
Gale on the Chilean Coast.
London, June 4.—A dispatch to
Lloyds from Valparaiso, Chile, con-
firms the dispatch to the Associated
Press from Santiago de Chile referring
to the fears expressed there for the
safety of the Pacific Steam Navigation
company's steamer Arequipa, which,
during a lull in Tuesday's storm at
Valparaiso, left that port in an en-
deavor to ride out the gale at sea.
The agent cables that the steamer,
which had eighty persons on board,
was probably lost. The bodies of some
of the Arequipa's crew, he adds, were
washed ashore.

Later advices from Valparaiso say
the Arequipa foundered at her moorings
and the captain, his wife and the
majority of the crew were lost.

FOREST FIRES IN MAINE.
Almost Every Section of the State Is
Being Burned.

Portland, Me., June 4.—Maine is
burning from one side to the other
and in almost every section. Thou-
sands of dollars worth of property and
valuable timber land are destroyed
hourly by forest fires, and there is
little prospect for changed conditions
until rain has soaked the ground and
woodlands. At least thirty fires have
been reported and many others are
raging. The fire line at Bemis and
Rangley Lake extends from one to
twenty miles and in some places is
more than two miles in depth.

Fires have been reported as burning
in the vicinity of the following towns:
Rangley, Bemis, Bath, Topsham, Port-
land, St. Stephen, N. B.; Mill Bridge,
Livermore Falls, Lovell, Demark,
Waterford, Bridgeton, Kineo, Green-
ville Junction, Ellsworth, Millinocket,
Gardiner, Pittston, Benton, N. B.;
Houlton, Monticello, Littleton, Lud-
low, Bridgewater, York, Smyrna Mills,
Presque Isle, Old Orchard, Clinton,
Bunham and Rome.

ONE FUNERAL A MINUTE.
Rapid Burial of the Dead at Gaines-
ville, Ga.

Gainesville, Ga., June 4.—Gaines-
ville has practically recovered from the
stupefying effects of Tuesday's
terrible wind storm.
About sixty funerals of victims
have been held. The bodies were
rapidly consigned to the earth with a
hastily uttered prayer or the singing
of a hymn. For half an hour almost
one funeral a minute was conducted in
the desolated city of mill cottages,
where the tornado wrought its great
havoc.

The latest tabulation indicates that
the death total will be between eighty-
five and ninety.

DESTROYS MANY HOUSES.
Fire at Hull, Ont., Leaves One Hun-
dred Persons Homeless.

Ottawa, Ont., June 4.—A fire in the
evening destroyed twenty-eight houses
in the suburbs of the city of Hull. A
stiff wind was blowing at the time
and a serious conflagration was threat-
ened. Ottawa was called on for aid,
but by the time the first engine from
Ottawa reached Hull the fire was un-
der control. The buildings destroyed
were small dwellings owned by mill
workers. The loss is \$35,000. One
hundred homeless persons are cared
for by the city.

A fire at Coteau, Que., early in the
day, destroyed eight houses, causing
a loss of \$20,000.

FOUR LIVES LOST.
Steamer Flying Eagle Meets With a
Bad Accident.

Hannibal, Mo., June 4.—It is now
known that four lives were lost in the
accident to the steamer Flying Eagle.
The corrected list is as follows: Lon-
nie B. Curtis, aged fourteen; Martha
Coppedge, aged eight; Harry Echen-
berger, aged seventeen; Peggy Har-
vey, cook on steamer.

The cause of the accident was due
to the blowing out of a cylinder head
on the boat's engine, disabling her
and placing the craft at the mercy of
the swift current, which sent her
crashing into a bridge pier, where she
sank before the four people above
named could get to safety.

THREATENS ST. LOUIS
WATER SLOWLY CREEPING UP
THE LEVEE AT THE MISSOURI
METROPOLIS.
FLOOD'S CREST APPROACHES
DEAD ANIMALS AND SUBMERGED
HOUSES ARE HERALDS OF
COMING RISE.

St. Louis, June 4.—The Mississippi
crept up the levee during the day
inch by inch until between sunrise
and sunset the gauge marked a rise
of six inches and at 7:30 p. m. stood at
21.7 feet. The surface of the swiftly
flowing water was thickly strewn
with driftwood, which seemed to in-
crease as the day drew on, indicating
that the crest of the flood is approach-
ing. A number of frame houses, sub-
merged all but the roofs, passed St.
Louis, and now and then a dead ani-
mal, but no human bodies were seen,
although a vigilant watch has been
maintained.

In North St. Louis men spent all day
removing the piles of lumber from the
proximity of danger.
In South St. Louis, several houses
along the river's edge have been
flooded, but the inhabitants had re-
moved their property and vacated.
Among those who will feel the losses
most heavily are the small truck farm-
ers and gardeners along the River
Des Peres, near its confluence with
the Mississippi.

On the Illinois side there is a more
serious flood condition. Venice, sit-
uated north of East St. Louis, is in
almost immediate danger of inunda-
tion.
The waterworks, which supplies
Venice, Granite City and Madison, is
situated on Gabaret island. Already
the water has reached the sill of the
boiler room floor and a small further
rise will extinguish the fires and cut
off the water supply of three towns.

SPECIAL RIVER BULLETIN.
Stage of Thirty-five Feet Predicted at
St. Louis.

Washington, June 4.—The Missouri
at Kansas City has fallen 1.2 feet
since Tuesday night and in the ab-
sence of rain, which is not now indi-
cated, will probably fall about two
feet more during the next twenty-four
hours and continue falling there-
after. East of Kansas City the rise
will continue, but the crest will be
reached as far as Booneville, Mo.,
during Thursday, about twenty-seven
feet of water being indicated at that
place.

At St. Louis a stage of about 32.5
feet is indicated on Thursday and
thirty-five feet on Saturday. The Up-
per Mississippi will continue to rise
slowly and twenty-one-foot stage is in-
dicated at Hannibal, Mo., during
Thursday.

Preparations should be made at this
place for a twenty-two-foot stage with-
in three days.
From St. Louis to Cairo there will
be a steady rise for several days with
stages generally three or four feet
above the danger line.

At Cairo a thirty-five-foot stage is
indicated Thursday, while at Memphis
there will be between twenty-eight
and thirty feet by the end of next
week. The Arkansas is still above the
danger line, but is falling rapidly.

BOTH RIVERS SUBSIDING.
Hopeful Feeling Prevades the Kansas
Flood Districts.

Kansas City, Mo., June 4.—The Mis-
souri river fell seven inches during
the day and the Kansas river fell nine
inches. The fall of both rivers will
be at a much faster rate henceforth.

There was sunshine during a large
part of the day and the general feel-
ing was hopeful. Militiamen and po-
licemen still guard all approaches to
the flooded district and soldiers halt
pedestrians in the residence portions
late at night, for there are no street
lights, the electric light plant being
still shut down. Seven street car
lines are in operation and the others
will resume in a day or two. The city
waterworks began pumping late at
night.

Railways are still giving incomplete
service, but are repairing the wash-
outs. The report of heavy loss of life
in Kansas City, Kan., are not true and
the stories of bodies lying in the
drifts there are unfounded. The loss
of property has not been overestimat-
ed, however. The entire city of Ar-
mourdale is under water, in many
places twenty feet deep, and all of
the 15,000 inhabitants have fled.

Armourdale will not be inhabited
for a long time after the flood sub-
sides and the river channel may con-
tinue to run through the town and
ruin it.

DEATH LIST DECREASES.
Fatalities at Topeka Now Said to Be
Twenty-two.

Topeka, Kan., June 4.—The Kansas
river is rapidly falling. In a few
more days the work of rehabilitating
North Topeka will begin. The situa-
tion may be summarized thus:

Total number of known dead, twenty-
two; depth of river is seven feet above
highest point ever known in previous
years; Governor Bailey has issued a
proclamation calling for help and ask-
ing that contributions be sent to Will-
iam Sims, treasurer, the general re-
lief fund has passed \$14,000; the Elks'
fund has passed \$1,000; the fund in
the hands of the governor now amounts
to \$3,500; no one in flooded district
is in danger; all homeless persons are
well cared for; over 200 deputies are
guarding property in North Topeka;
the only railroads operating out of
Topeka are the Missouri Pacific to the
South and the Santa Fe to the West.

Levee Gives Way and Water Floods
Thousands of Acres.

Keokuk, Ia., June 4.—The Hun-
dred levee on the Illinois side of the river
below this city broke in the afternoon
and 40,000 acres are flooded south of
Warsaw. Nine hundred feet of the
Indian Grove levee further down the
river also went out and flooded 15,000
acres. As a result of other disasters
all the low lying country between
Warsaw and Quincy is under water.
The loss is \$750,000.
